Why choose the Packaged Program

Our packaged program with Torrens University Australia (CRICOS code: 03389E) offers you the pathway entry to your desired business bachelor degree.

Successful completion of QIBA English for Academic Study (EAS) course enables you to apply directly to Torrens University Australia without presenting official English test results (IELTS, TOEFL, CAE, PTE, OET).

Successful completion of Diploma or Advanced Diploma level at QIBA enables you to enter the second year of your chosen relevant bachelor's qualification at Torrens University. This strategy helps you reduce the duration of your study at the university and therefore reduce the cost of your overall business bachelor degree.

When you apply for the packaged course, you receive a dual offer from both QIBA and Torrens University, which allows you to apply for a single visa for the entire study period.
